

Your application was selected by the U.S. Dept. of Education for review in a process called "verification" (approximately 25% of all applications are selected). In this process, we are required by federal law (34 CFR, Part 668) to compare the information from your application with the information provided on this form and with your 2015 tax information (and your spouse's if you are married, or parents' if you are considered dependent for federal aid purposes). If there are differences between your application and the documents you've submitted, corrections may need to be made. **We cannot process your financial aid until verification has been completed, so please provide the required documents as soon as possible.**

**Within two weeks you should complete this process:**

1. Use IRS Data Retrieval on the FAFSA. If you are unable, we will need tax transcripts from the IRS. To request a tax return transcript or verification of non-filing, go to [www.irs.gov](http://www.irs.gov).
2. Complete the sections and obtain appropriate signatures.
3. Contact us if you have questions about this form.
4. Bring/fax/mail/e-mail the completed worksheet and tax transcripts (unless you used IRS Data Retrieval on the FAFSA) to the financial aid office.
5. We will compare the information on these documents and make corrections if necessary.
