### IMPORTANT - Please consider the following when finalizing the total loan amount:

- You must have an approved PLUS Loan credit approval and a signed \_\_\_\_\_ Master Promissory Note **before** your loan can be processed see link in email
- This loan covers the entire school year — both the fall and spring semesters
- **For new students:** the spring bill will be \$250 higher because the tuition deposit is applied only to fall
- **For first-time PLUS Loan borrowers:** Yearly limits are now capped at **\$20,000\*** including fees (\$65,000 lifetime aggregate limit)
  - To avoid reaching the \$65,000 limit before the student's final year, we recommend borrowing no more than **\$16,250\*** per year including fees

**Yearly requested amount\* \$** \_\_\_\_\_

\*Please be advised the Department of Education deducts a 4% origination fee from any loan amount. You may want to consider this fee in your request unless you are a new, first-time PLUS borrower, then you may not borrow more than \$20,000 per year including fees\*

If this loan creates a refund (credit) on the student's account, the refund should go to: Parent or Student

**PLEASE NOTE: Refunds will NOT be processed until mid-September (Fall) and mid-February (Spring)**
